COMMUNITY INVOLVMENT

NOVA BANK EMPLOYEES VOLUNTEER AT SPECIAL OLYMPICS

BERWYN, Pennsylvania – May 7, 2008 – NOVA Bank was proud to have several employees volunteer to help out at the Special Olympics of Chester County’s School Age Track Meet that was held on Thursday, May 1, 2008 at the Coatesville Area High School, in Coatesville, PA. NOVA Bank’s mascot, Buddy, was also there cheering on the special Olympians. Children and adults of all ages enjoyed giving Buddy a high-five and/or a big hug.

More than 200 volunteers provide the manpower for Special Olympics Chester County. Volunteers of all ages serve as coaches, escorts, organizers, fund-raisers, entertainers, or sports officials. Special Olympics continually looks for individuals who wish to join them in this rewarding and very important community activity.

“Not only is our goal to provide our clients with the means they need to achieve financial success, it is to be a good corporate citizen and neighbor in the communities in which we operate,” said Brian Hartline, NOVA’s President and Chief Executive Officer. “We thank our employees for volunteering for such an important organization.”
